ST. JOAN OF ARC SCHOOL

Dear Parents, Parishioners and Guests of St. Joan of Arc School:

As many of you may have observed, this year's school auction has no specific theme or motif. Instead it is simply being called a Gala. Because this is not a designation we often use, I decided to research the meaning of a Gala to discover how it is distinct from other, similar events such as a Ball. Like a Ball, a Gala is a social occasion that typically includes a fine dinner, lively entertainment and elegant attire. Unique to a Gala however, is that one of its high priorities is to raise funds for a specific cause, in this case, our parish school.

More often than not, Galas begin at the time of evening and unfold well into the night. I was reminded of an essay I read several years ago in which the author noted;

From time immemorial we (sic human beings) have greeted nightfall with lifted lamps, joyful song, dancing feet, solemn meals and glittering parties. In a word, we've made night time human time, a precious repository of meaning, pleasure and potential.

*Nathan Mitchell, essay entitled "Night Prayer"
Assembly, volume 22, Number 3, 1996.*

How beautifully this describes the annual St. Joan of Arc Auction dinner which this year is named Gala! While helping to raise the needed funds to sustain the quality of education that has won the National Blue Ribbon Award for our school a third time, our gala does much more. It is indeed a precious repository of meaning as parents and teachers share their memories of students whose struggles and successes helped to shape them for the future. One also hopes that our gala is a pleasurable experience marked by delicious food, time honored dancing and the much needed laughter to balance the everyday routine of life. And finally, this event surely creates potential and creative possibilities that enrich, not only our school, but also our Church since St. Joan of Arc is first and foremost a place of Christian formation.

I thank you for attending this year's Gala, and hope that it will be a repository of meaning in which your precious memories are enshrined, honored and remembered by all those who will follow us.

Sincerely,

A handwritten signature in cursive that reads "Gabriel B. Baltus, O.S.B.".

(Reverend) Gabriel B. Baltus, O.S.B.
Pastor

Gala 2024

Dear Saint Joan of Arc Families and guests,

It is an honor to welcome you to the 2024 Saint Joan of Arc School Gala Auction and Dinner. I would like to extend a sincere thank you to all of our donors, families, and community businesses for your support and for the auction items donated. Thank you also to all of the amazing volunteers who have generously given their time, talents, and treasure to make this fundraiser possible.

Tonight, we come together once again to support our mission and vision for Saint Joan of Arc School. One of our more recent goals was to obtain the Nation Blue Ribon award. In addition to having high test scores, top 15% in the nation, each school must prove why they are worthy of this award. Thus, this prestigious award can only be obtained with a fabulous teaching staff, an updated curriculum, a great work ethic, a supportive community and a common goal. In the fall, when Saint Joan of Arc School was announced as a 2023 Blue Ribbon recipient, I could not have been more proud of everyone involved. Your generosity helped make this goal achievable.

The proceeds from this evening will contribute to the continued improvement and support of the educational experiences of our students and support the amazingly dedicated staff. One of the greatest assets of Saint Joan of Arc School continues to be its caring and committed teachers. God has called these remarkable men and women to play a vital role in the lives of the students in their care. They work, pray and learn together as a team and along side their students.

I'd like to thank Mrs. Maria Anderson and Mrs. Rebecca Giudice for planning, creating, and bringing this wonderful event to life for us. We hope that you enjoy this lovely evening that celebrates and supports Saint Joan of Arc Catholic School.

With gratitude,

A handwritten signature in blue ink that reads "Michelle Picchione".
